

The Visitor Instructions

1. the teacher tells a story about how they met an alien.
2. The students in groups are then asked to write questions they would ask an alien.
3. The teacher monitors and provides support.
4. After the questions are checked students makeup the answers.
5. Students use the answers to write a paragraph about their alien.
6. These paragraphs are then made into posters to share with the rest of the class.

Optional:

Have the students create a newspaper reporting all the aliens that the class met.
