

Your Wonderful World

1. What is the name of your world?
2. What are the names of the Seas? Which is the **Largest**?
3. Where is the **Hottest/ Coldest** place in your world? What is it called? Tell me some more information about it.
4. Where is the **Wettest/ Driest** place in your world? What is it called? Tell me some more information about it.
5. Where is the **longest** river in your world? What is it called? How long is it? What animals live near it? Tell me some more information about it.
6. Where is the **Scariest** place in your world? What is it called? Why is it so scary?
7. Where is the **Biggest / Smallest** city in your world? What is it called? How many people live there? What famous thing happened there? More information¹
